### Instructions

1. Mark the quantity of each item desired in the space provided.
2. Multiply quantity by price, and record the result in the adjacent "Subtotals" column.
3. Identify the selected item with the largest price in the "Postage / First Item" column. Deduct 1 from the Quantity, and multiply this by the price in the "Postage / Subsequent" column ; add the price in the "First Item" column, and record the result in the adjacent "Subtotals" column. For all other items, multiply the quantity ordered by the price in the "Subsequent" column, and record the result in the "Subtotals" column.
4. Add each "Subtotals" column, and record the results in the "Totals" spaces.
5. Add the two Totals, and record the result in the "Grand Total" space.
6. Complete the address information at right, and mail this form, along with a cheque or money order (made payable to **Christopher Carson**) for the Grand Total amount, to **Box 1035, Fort Worth, Texas 76101**.
